22 December 2009

Revision of Pay of Local Authority Staff – Application of Pay Adjustments in Accordance with the Financial Emergency Measures in the Public Interest (No.2) Act 2009

A Chara,

I am directed by the Minister for the Environment, Heritage and Local Government to convey the following instructions to Local Authorities in relation to the application of pay adjustments with effect from 1 January 2010 in accordance with the Financial Emergency Measures in the Public Interest (No.2) Act 2009.

Adjustments to Pay

The Financial Emergency Measures in the Public Interest (No.2) Act 2009 provides for reductions in pay of public servants as follows:

- 5% on the first €30,000 of salary or annualised wage
- 7.5% on the next €40,000 of salary or annualised wage
- 10% on the next €55,000 of salary or annualised wage

These produce overall reductions in salaries ranging from 5% to 8% in the case of salaries up to €125,000.

These adjustments are being applied to basic pay as at 31 December 2009. The adjustments are being applied to each point of incremental scales (and to off-scale points) rounding to the nearest euro on annual scales and to the nearest cent on weekly scales. Hourly rates should be rounded to the nearest €0.001.

Revised Rates

The revised salary scales applicable to national grades as from 1st January 2010 are set out in the Appendix to this Circular. Instruction is also conveyed to pro-rata pay adjustments for part-time officers in accordance with established practice.

Dual Employment

In the case of staff employed in more than one capacity, each employment may be treated separately for the purposes of calculating revised remuneration in accordance with this circular.

Overtime

Payment in respect of overtime rendered on or subsequent to 1 January 2010 by members of grades to which this circular applies should be calculated by reference to the revised pay rates with effect from 1 January 2010.

Premium Rates of Pay

Premium rates of pay payable in respect of or subsequent to 1 January 2010 which are calculated as a specific percentage or specified proportion of basic salary should be calculated by reference to the revised rates of pay with effect from 1 January 2010.

Allowances

Allowances which are calculated as a specific percentage or specified proportion of basic pay should be calculated by reference to the revised rates of pay with effect from 1 January 2010.

Fixed allowances which are not calculated as a specific percentage or specified proportion of basic pay will be reduced by a fixed percentage as follows:

- Fixed allowances payable to persons whose basic pay does not exceed €125,000 p.a. will be reduced by 5%
- Fixed allowances payable to persons whose basic pay is €125,000 or more will be reduced by 8%

Any allowance which is a reimbursement of an expense will not be affected by these reductions.

Pensions

Pensions in course of payment on 1 January 2010 in respect of former Local Authority employees who served in the grades to which this circular applies will not be reduced on foot of the adjustments referred to in this circular.

A local authority employee who retires on or before 31 December 2010 will have their superannuation benefits calculated by reference to the scales applying on 31 December 2009, with incremental credit on those scales if appropriate. This includes employees who retire in the normal way on age grounds, those retiring on health grounds or under Cost Neutral Early Retirement or the Incentivised Scheme of Early Retirement. It also applies in the case of a preserved benefit coming into payment in 2010.

Non-National Grades

Under the terms of Paragraph 5.1 of the Appendix to Circular Letter LA (P) 4/96, the pay adjustments may be applied to non-national grades. Instruction may be assumed to the application of the revised scales to members of national and local grades which have the same scales as the grades listed in the Appendix.

Craftworkers and Related Grades

The revised wage scales operative from 1st January 2010 are set out in the Appendix.

General Operatives and Related Grades outside the Dublin area

The Appendix sets out the appropriate wage scales, with effect from 1st January 2010. Instruction may be presumed to the implementation of similar pay adjustments to General Workers whose wage maxima do not correspond exactly with any of those in the Appendix and also to pro-rata pay adjustments for part-time personnel in accordance with established practice. Also set out are the revised rates of allowances for part-time fire personnel.

Full-time Fire Service Personnel

This pay adjustment will be applied to all full-time fire service personnel in accordance with established practice. This will be notified to local authorities separately.
