# MONAGHAN ALERTS

## SIGN ME UP!

Monaghan Alerts is a one-stop-shop service where you can sign up to receive alerts from the Council about things like road closures, weather alerts and boil water notices, and now we've added GARDA ALERTS about criminal activity in your area. This replaces the stand-alone 'Monaghan Community Alerts' service which was in operation until end 2022. If you were subscribed to the Monaghan Community Alerts service and wish to continue to receive Garda alerts, you will need to re-register with Monaghan Alerts, as we require your consent in order to comply with data protection.

## You can join the service in 3 ways:

1. By downloading the 'Monaghan Alerts' app onto your smartphone. You will then receive alerts onto the app

   Download on the App Store
   GET IT ON Google Play

2. By going onto the Council's website and joining there. You can opt to receive your messages by email or by text as you go through the registration process

3. By returning this paper registration form, and we'll put it onto the website for you. You still get to opt for email or text messages

*Scan here to go straight to download links for the app*

Whichever option you choose, you will be asked to select the area of the county closest to you from a list. This is for two reasons:

1. It will help to ensure that only relevant Garda messages are sent to you.
2. It signs you up to receive community messages* from that area.

**You can select ONLY ONE area.**

*The *Community Messaging service is limited to app and email subscribers only. if you are a text subscriber you will not receive community messages, but will receive Garda and Council messages.*
