# WELCOME

Welcome to the Annual County Stage of Student Enterprise Programme – Awards Day. It is often said in business that you miss 100% of the shots you don't take. We hope that the Student Enterprise Programme has given all students who participated the opportunity to take shot a shot at learning about entrepreneurship.

The Student Enterprise Programme (SEP) is the biggest enterprise competition for students in Ireland. It helps students to grasp real life skills associated with running a real enterprise including working as part of a team, managing production and finances, organising a sales and marketing campaign and liaising directly with customers, judges and the media.

Over the 10+ years the Local Enterprise Offices have run this competition we have seen some remarkable success stories with high levels of innovation, ingenuity and clever sales pitches. What is really striking is how confident young people are in presenting their final proposals with many teachers remarking that students often develop self-confidence as they work their way through the different stages of their business. This is particularly true when students are taken out of their normal school environment to deal with external stakeholders who can help them progress their business idea.

The competition compliments the business studies curriculum and is a rewarding experience for transition year students in particular, who have that bit more freedom to develop their business concepts to the fullest.

Introducing enterprise to students in such a relevant fashion can only help to create more entrepreneurs in the future.

The Local Enterprise network provides significant support to teachers and students involved in the competition and we would like to take this opportunity to extend out thanks to the schools, principals and in particular the supporting teachers from each school that took part in the programme.

We would like to congratulate all of you who are here today representing your school. Today is the culmination of many months of work, fun and learning. Good luck everyone!

# CATEGORY ENTRIES

## JUNIOR

STAND NO.	BUSINESS	SCHOOL	STUDENT(S)
1	Fantastic Frames	Inver College Carrickmacross	Lauren Mc Cartney, Saoirse Finnegan, Jessica Winters & Leah Byrne
2	A and B Cake Sales	Monaghan Collegiate School	Aaron Scott & Ben Mackerel
