

DO YOUR LOCAL STREAMS, RIVERS AND LAKES MATTER TO YOU?

The Waters and Communities Office are hosting public meetings within the coming weeks to discuss the natural waters of county Monaghan. If you are interested in water quality, angling, heritage, biodiversity, amenity use or issues affecting your local waterways then this is an opportunity to have your say.

We will present information on the latest draft River Basin Management Plan for Ireland 2018 - 2021 along with details on how you can input into the final plan. The Waters & Communities office aims to get local communities more involved in valuing and protecting our local waters and these meetings provide an opportunity to have your say.

Gretta McCarron, Community Waters Officer for Monaghan will present this information and facilitate a discussion on the issues raised. There will be refreshments after the meeting and opportunities to network. The times, dates and venues of the meetings are set out below.

For more information contact Gretta on 085 808 5756 or gmccarron@lawco.ie. Visit www.watersandcommunities.ie and like us on Facebook.
