Neutering

If you do not intend to breed from your dog, please have it neutered at 6 months of age. This will prevent your dog from getting certain cancers and other health problems and will reduce the numbers of unwanted dogs produced each year.

Dog Littering and Fouling

As a dog owner it is your responsibility to clean up after it. Dog fouling can be a serious health treat, especially to smaller children.

It's simple, take a bag, pick up after your dog, take it home or place it in a bin. The Litter Warden and Dog Warden regularly patrol known dog walking locations to ensure compliance. Failure to clean up after your dog could result in €150 on the spot litter fine being issued to you.

Are you aware that On-the-Spot Fines for dog-related offences exist?

- No dog licence – Fine €100
- Your dog straying – Fine €100
- No microchip certificate – Fine €250
- No collar identification – Fine €100

Responsible Dog Ownership

Information for Dog Owners

You care for your dog by ensuring that it is fed, sheltered and exercised –

BUT

-  Do you have a current dog licence?
-  Do you know where your dog is and do you keep in under control at all times?
-  Is your dog microchipped and do you have a microchip certificate of registration for your dog?
