Notice of Application to An Bord Pleanála for Approval Killycronaghan Closed Landfill Remediation Project at Killycronaghan, Newbliss, County Monaghan

Pursuant to Section 177AE of the Planning and Development Act 2000 (as amended) and the requirements of the Planning and Development Regulations 2001 (as amended), notice is hereby given that Monaghan County Council proposes to seek the approval of An Bord Pleanála for the completion of Closed Landfill Remediation Works at a Closed Landfill site in Killycronaghan, Newbliss, County Monaghan.

The application site, as defined by the red line boundary in the accompanying drawings, is 3.75 hectares (ha) in size. The proposed capping area within the site is 2.6 ha in size.

The proposed development will consist of the following:

- The development of a site access.
- The development of a temporary site compound and office area.
- Site clearance, including the removal of an existing gate, existing timber post and wire fencing and clearance of existing vegetation.
- Grading/profiling of the existing site area.
- Installation of an engineered landfill capping system

- The development of a site access.
- The development of a temporary site compound and office area.
- Site clearance, including the removal of an existing gate, existing timber post and wire fencing and clearance of existing vegetation.
- Grading/profiling of the existing site area.
- Installation of an engineered landfill capping system covering an area of 2.6 hectares.
- Installation of surface and subsurface surface water drainage infrastructures.
- Installation of passive landfill gas management infrastructure.
- The installation of stock proof fencing, and a new access gate on-site.
- Landscaping of the final formation of the capping area using a proprietary grass cover mix suited for pasture.

The proposed development will ensure compliance with conditions of a Closed Landfill Certificate of Authorization pertaining to the site granted by the Environmental Protection Agency (CoA Ref: H0366-01).

A Natura Impact Statement (NIS) has been prepared in respect of the proposed development.

An Environmental Impact Assessment (EIA) Screening Report for the proposed development has been carried out and has determined that there is no real likelihood of significant effects on the environment arising from the proposed development and has determined that an EIAR is not required.

The Board may give approval to the application for development with or without conditions or may refuse the application for development.

Plans and particulars of the proposed development, including Natura Impact Statement, will be available for inspection free of charge, or for purchase at a fee not exceeding the reasonable cost of making a copy, at the following offices of Monaghan County Council:
