

Public Consultation Day

Preliminary Flood Risk Management Options Ballybay, Co Monaghan

Date	Monday 15 th February 2016
Time	1:00pm to 7:00pm
Venue	Ballybay Wetlands Centre, Derryvalley, Ballybay, Co. Monaghan

Have your say on Flood Risk Management Options!

Options for managing flood risk have been developed for Ballybay in County Monaghan.

Everybody has the opportunity to comment on how various aspects of their area are reflected in the assessment of options. Public input will play a strong role in helping to identify preferred options, and developing strategic flood risk management plans.

You can make a submission on the options at the public consultation day or via the project website.
