

Public Consultation Day

Preliminary Flood Risk Management Options Carrickmacross and Inniskeen, Co. Monaghan

Date	Wednesday 16 th March 2016
Time	1:00pm to 7:00pm
Venue	Civic Office, Riverside Road, Carrickmacross, Co. Monaghan

Have your say on Flood Risk Management Options!

Options for managing flood risk have been developed for Carrickmacross and Inniskeen in County Monaghan.

Everybody has the opportunity to comment on how various aspects of their area are reflected in the assessment of options. Public input will play a strong role in helping to identify preferred options, and developing strategic flood risk management plans.

You can make a submission on the options at the public consultation day or via the project website.
