BEFORE COMPLETING THIS FORM PLEASE NOTE THE FOLLOWING

STANDARD PLANNING APPLICATION AND ACCOMPANING DOCUMENTATION

Failure to complete this form or attach the necessary documentation, or the submission of incorrect information or omission of required information will lead to the invalidation of your application. Therefore please ensure that each section of this application form is fully completed and signed, entering n/a (not applicable) where appropriate, and that all necessary documentation MobilityAidsGrantApplicationForm.pdf is attached to your application form.

ADDITIONAL INFORMATION

It should be noted that each planning authority has its own development plan, which sets out local development policies and objectives for its own area. The authority may, therefore, need supplementary information (i.e. other than that required on this form) in order to determine whether the application conforms with the development plan and may request this on a supplementary application form.

Failure to supply the supplementary information will not invalidate your planning application but may delay the decision-making process or lead to a refusal of permission. Therefore applicants should contact the relevant planning authority to determine what local policies and objectives would apply to the development proposed and whether additional information is required.

DATA PROTECTION

The planning process is an open and public one. In that context, all planning applications and accompanying documentation, with the exception of certain contact details, are made available for public inspection/purchase and may be made available on the planning authority's website where this is their policy. Planning authorities also publish weekly lists of planning applications received as well as weekly lists of planning decisions in hard copy and, where this is their policy, on their websites.

It has come to our attention that the publication of planning applications by planning authorities can lead to applicants being targeted by persons in the business sector engaged in direct marketing. In response to a request from the Data Protection Commissioner, you are hereby given an opportunity to indicate a preference with regard to the receipt of direct marketing arising from the lodging of a planning application.

If you are satisfied to receive direct marketing please tick this box

Direct marketing may be by post, by telephone, by hand or by electronic mail such as email or text message where such details are supplied. It is the responsibility of those entities wishing to use the personal data on planning applications and decision lists for direct marketing purposes to be satisfied that they may do so legitimately under the requirements of the Data Protection Acts 1988 & 2003 taking account of the preference outlined above.
