Re: Proposed Variations 3 & 4 to the Monaghan CDP 2019-2025

To whom it may concern,

I refer to Proposed Variations 3 & 4 to the Monaghan CDP 2019 - 2025. The Department of Education notes that the proposed variations, if adopted, will give a statutory basis to the Dublin Street North Regeneration Plan and the Roosky Lands Master Plan. Further to this, the Department queried if the proposed variations would alter the population projections as outlined in the current Monaghan CDP 2019-2025. The Department notes the confirmation from Monaghan County Council that the projections remain unchanged. The Department has nothing further to add to the matter at this time.

The Department thanks Monaghan County Council for its ongoing assistance in relation to school planning matters and looks forward to continuing to work together to deliver educational requirements for County Monaghan.

Yours sincerely,

Alan Hanlon
