

Economic Activity

Monaghan County Development Plan 2025 - 2031

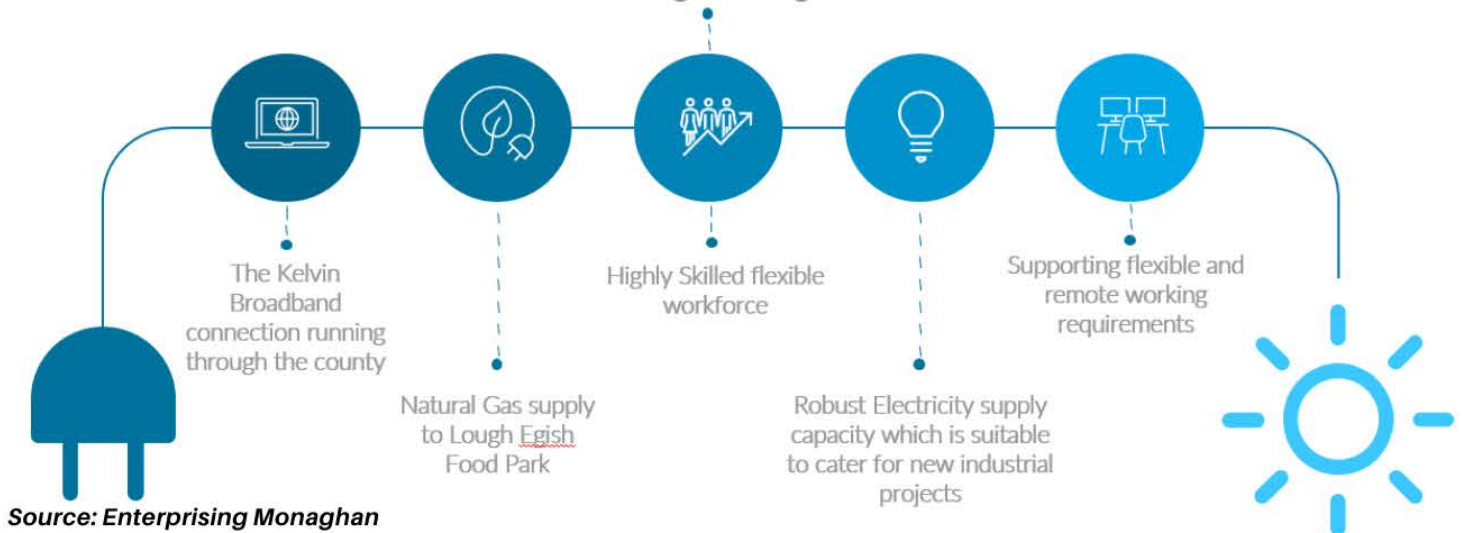

Monaghan has a particularly entrepreneurial spirit, with a significant percentage of the population being self employed. It also has one of the highest rates of new business start ups in Ireland

Enterprising Monaghan - History & Future

Strategic Advantages

Advantage Monaghan

Key Questions

- What key drivers, strengths or competitive advantages can be used to increase economic growth in the County?
- How can land use planning best help to create sustainable economic development?
- In which ways should the development plan underpin and support new work practices and patterns?
