Monaghan County Development Plan 2025 - 2031

Engineering in Monaghan

County Monaghan has been an engineering sector centre of excellence for decades. Several indigenous and foreign engineering firms have achieved global success while using County Monaghan as their location of choice.

Source: Enterprising Monaghan

A new Local Economic and Community Plan (LECP) for the County is in the process of being developed and the Development Plan will have regard to measures and objectives of the adopted LECP

Tourism

Tourism is an emerging sector in County Monaghan providing both economic & social advantages to the area. The Monaghan County Development Plan will encourage tourism in the County in a sustainable manner
