

Inniskeen 2036: What's your vision?

Everyone welcome!

Whether you live here, work here, visit on weekends, or always call Inniskeen home—we want to hear from you!

If you had one idea for Inniskeen, for the next generation, what would it be?

Studio idir and Monaghan County Council are teaming up to build the new Inniskeen Village Plan. Our goal over the coming months is to listen to your stories, review what's been proposed before, and map out real possibilities for the future. Your voice is the most important part of the puzzle.

Join the conversation:

- **Where: Inniskeen Community Centre**
- **When: Thursday, 25 June**
- **Time: 7pm-9pm - presentation at 7:15, but call in anytime!**

Pop in for an informal chat, share your ideas, find out more, and help shape the future of Inniskeen!

Studio idir
