Inniskeen Village: Community Vision and Spatial Land Use Plan

What do we want to achieve this evening?

1. That you would
know who the
team are

2. That you would
become familiar
with the project
brief

3. That you
would have the
opportunity to
have your say on
progress so far

Have your say!

We don't want to start from scratch: we want to build and expand on the foundations laid by previous projects.

Key findings have already been identified. Let us know what Strengths, Challenges, Opportunities and Threats are presented by each of the themes, and if there are any other themes missing.

Your input will help to validate, challenge and add to the themes.

If you require any assistance completing your questionnaire or comments, please speak to Katie.

1. Fill in the short questionnaire before beginning group discussions.
2. Make your way around the tables and write or draw your comments on the A1 sheets provided using post-it notes. Questions are provided to get you thinking about the Strengths, Challenges, Opportunities and Threats of each of the 10 presented themes.
3. Let us know if you have an idea that doesn't fit into one of the 10 themes. Write it on our 'Other ideas' board.

If you would like to be contacted about future events for this project, please provide your name and contact details on a contact sheet.
