

Questionnaire 01

Monaghan County Council to please advise Studio idir on equality screening for hard copy and online.

In the previous 5 years, Inniskeen village has been consulted on for the development of previous plans including the Public Realm Spatial Land Use plan by Paul Hogarth Company, and the 20 year Development Masterplan by Inniskeen Enterprise development Group. We appreciate and acknowledge the participation of the community already. We don't want to start from scratch: we want to build and expand on the foundations laid by these previous projects. Eleven key findings have already been identified: your input will help to validate, challenge and add to the findings as we now move forward with the Inniskeen Community Vision and Spatial Land Use Plan.

1. How important from **1-5** (1 being very important, 5 being not important) are each of the following themes in relation to the development of Inniskeen Village?

Themes	Score 1-5
1. New Housing and Vacant Site Development	
2. Improvements to the main junction at the heart of the village	
3. Playground, trails and recreation space	
4. St. Mary's Space/Patrick Kavanagh Centre/Graveyard expansion	
5. Railway Station/square development	
6. Bus and Car Parking	
7. New School	
8. Public realm improvements and better infrastructure
