

**Screening Determination for Strategic Environmental Assessment under  
SEA Directive 2001/42/EC**

**Planning and Development (Strategic Environmental Assessment) Regulations 2004 (SI No. 436 of 2004), as amended by the Planning and Development (Strategic Environmental Assessment) (Amendment) Regulations 2011 (SI No. 201 of 2011)**

**For:**

**Monaghan Town Local Transport Plan (LTP).**

This SEA Screening Determination has been made having regard to the requirements of Directive 2001/42/EC on the assessment of the effects of certain plans and programmes on the environment, the European Communities (Environmental Assessment of Certain Plans and Programmes) Regulations 2004 (S.I. No. 435 of 2004), as amended, and the Planning and Development (Strategic Environmental Assessment) Regulations 2011 (S.I. No. 201 of 2011, as amended).

Screening for Strategic Environmental Assessment has been carried out by Monaghan County Council in accordance with Articles 3(3) and 3(4) of the SEA Directive and Schedule 2A of the SEA Regulations. The determination is informed by the SEA Screening Report prepared by Ove Arup & Partners Ireland Limited (Final Issue, 27 January 2026).

Following assessment of the criteria and having regard to the nature of the Monaghan Town LTP and the potential for likely significant environmental effects from implementation of the Local Transport Plan (LTP), MCC has determined that the Local Transport Plan (LTP) will not give rise to likely significant effects on the environment.

It is therefore determined that Strategic Environmental Assessment is not required for the Monaghan Town Local Transport Plan.
