**Urgent Business:**

The Mayor advised the meeting that he had received a notice of Urgent Business in accordance with Standing Order 14.2, in the names of Cllrs McNally, Gallagher, O'Brien, Coyle and O'Hanlon, as follows:

*'In light of Minister for Health James Reilly's decision to add an additional 15 locations to the list for Primary Care Centres, that this Council seek and send a deputation to HSE personnel dealing with these developments in County Monaghan.*

*As well as the above, that this Council communicate with the G.P.'s in Monaghan Town and Carrickmacross.'*

The Council unanimously agreed to deal with the motion of urgent business.

In moving the motion, Cllr McNally stated that in view of the recent decision by the Minister for Health to include an additional 15 locations to a national list of 20 proposed primary care centres including two locations in the Minister's constituency, it is important that the Council meet with the Health Service Executive to ascertain the position in relation to the centres proposed for the towns of Monaghan and Carrickmacross. The Council needs to know if the negotiations with the local GP's have stalled. In his opinion unless there is buy-in from the GP's the county could miss out on the first tranche of primary care facilities.

Cllr Gallagher seconded the motion and stated that when services were being removed from Monaghan General Hospital the HSE had proposed a primary care centre for Monaghan Town but progress on this has been limited to date. Cllrs Carthy, Murray, Connolly and O'Hanlon also spoke in favour of the motion.

Cllr McNally's motion was put to the meeting and agreed unanimously.

*On the proposal of Cllr O'Hanlon, seconded by Cllr McNally it was agreed that the Council seek clarification from the HSE as to whether the interim Primary Care Centre in Carrickmacross is proceeding, as previously advised to Carrickmacross Town Council.*

The following delegation was agreed pending notification of a meeting from the Health Service Executive – Mayor, Cllrs Maxwell, Murray, B. McKenna, Carthy, McNally, Gallagher and Connolly.

The meeting then concluded.
