Present: - Cllrs. Jackie Crowe, Aidan Campbell, Noel Keelan, PJ O Hanlon, Padraic McNally, Colm Carthy

Also in attendance: - Paul Clifford, Director of Services, Cathal Flynn, Co-ordinator, Amanda Murray, Teresa McGuirk.

Press: - Cianna McNally, the Northern Standard. Martin Shannon, the Anglo Celt. Joe McCabe, Carrick Gazette

Apologies: - John Lennon, Executive Engineer

1. Presentations from

a. Castleblayney Arts & Community Resource Centre (Iontas)

Chairperson Jackie Crowe welcomed Raymond McHugh, Noleen O'Neill and Gina Martin from the Castleblayney Arts & Community Resource Centre - Iontas and invited them to make their presentation.

At the outset Mr McHugh thanked Monaghan County Council for their financial support to date; requested that the centre be included in next year's budget and invited Noleen O'Neill, Manager and Gina Martin, Arts Promotions Officer to make the presentation on the groups behalf.

Ms O'Neill gave a detailed outline of the group's goals, vision, values, energy efficiencies, anchor tenants, benefits to the local community, achievements to date and the threats going forward.

Ms Martin, Arts Promotions Officer explained

- There was huge customer and performer satisfaction with the facility and the performances
- The attraction of new audiences was a major challenge. To this end a new Marketing Assistant had taken up employment recently.
- A sponsorship programme inviting local businesses to place advertisements in brochures was ongoing
- Social media used to promote the centre

- Website recently overhauled to increase on line customers
- In constant contact with the Garage Theatre to ensure no duplication of performances
- There was a lot of competition with other events in towns
- E-newsletter published regularly
- Visual arts programme – availing of exhibition space for local artists
- Patrick Kavanagh Collection on loan from County Museum on display
- Overheads are huge for running of the theatre
- Classes held on various topics
- Main objective for the next 5 years was to maintain the high standard of artistic performances and quality drama

Cllr Crowe thanked the members for their presentation and assured the group of whatever support the council could address. Municipal District members all in turn acknowledged the work of the centre committee and its volunteers and all wished to be associated with this.

Cllr O’Hanlon proposed that the group prepare a detailed business plan and seek an urgent meeting with the new Minister for Arts.

In reply to queries from Cllr McNally, members were informed that

- Funding of €7m was secured to provide the centre
- The Iontas Board and the Castleblayney Trust were currently handling a debt of €700k which would take some years to clear
- There was no difficulty in getting acts to perform – there was a difficulty in getting the audiences to attend; theatre going not high on people’s agenda especially during difficult economic times
- Unlike the Garage who have the ETB for support the Iontas needs to seek support; from Monaghan County Council for example
- In consultation with the council’s Arts Officer the committee have made representations to the Arts Council for the fair distribution of annual funding.

Members were informed that the centre could cater for meetings and were encouraged by Mr McHugh to hold a full County Council and / or a Municipal District monthly meeting in the Iontas.

In conclusion Cllr Crowe thanked the committee for their time and assured them of the council’s support. The committee then left the meeting.

b. Presentation by Muckno Mania Festival Committee

Cllr Crowe welcomed Muckno Mania Festival Committee Members Finbar Carville, Barry McCluskey, Una McGuinness, Tommy Maguire (chair) and invited them to make their presentation.

At the outset Mr Maguire thanked Council for opportunity to give presentation on the Muckno Mania festival which is organised and run annually by a team of volunteers. Mr Maguire then outlined some of the activities, workshops, events and organisation which go into the running of annual festival pointing out that it brought an economic benefit to the town of Castleblayney.

With an approximate spend of €50k to run the event the committee were now seeking the support of the council in the amount of €10k.

Cllr Crowe thanked the Muckno Mania Committee for their presentation Municipal District and assured them of the support of the council. The members all in turn acknowledged the work of the committee, wished them well for the future and assured them of whatever support they could give.

2. Confirmation of the Minutes of October 2014 meeting

Due to the overrun of allotted time for presentations Cllr McNally proposed that any future presentations be made at end of meeting – council business should take precedence. This was seconded by Cllr Crowe and agreed by all.

On the proposal of Cllr. Keelan and seconded by Cllr. Carthy the minutes of the meeting held on 28th October 2014 were adopted.

3. Matters arising

Cllr Keelan asked that the serious flooding on the Lough Egish Road be addressed in the coming weeks.

Cllr McNally proposed that an advertisement seeking suggestions from the public to name the link road between the Ballybay Road and the roundabout leading to the Carrickmacross bypass be put in place.

In reply to a query members were informed that no reply had been received to date from Irish Water. However Mr Flynn had contacted their Cavan Offices and was informed that the query had been referred to Irish Water in Dublin.

4. Correspondence

Correspondence was received from:

1. Kate Beagan, Artist seeking permission to hold an exhibition in the foyer of the Civic Offices in Carrickmacross for the month of December 2014. Cllr O’Hanlon proposed that the council approve the request. This was seconded by Cllr Keelan.
2. Mr Brendan Smith TD regarding the provision of broadband in County Monaghan and for dental services in Castleblayney. Following a discussion Cllr Crowe proposed that the council write to Minister of State, Kathleen Lynch asking for the provision of a dental service in Castleblayney at least once a month. In seconding Cllr Crowes proposal Cllr O’Hanlon added that the council also write to Minister Humphreys and the local TD’s seeking a meeting with them and Minister Lynch to discuss the issue. This was seconded by Cllr Crowe.
3. Ms Heather Humphreys TD including attachment from HSE re dental services
4. Ballybay Clones Municipal District and Dublin City Council in support of our Notice of Motion for grant scheme for listed buildings
5. Letter received from Mr Alan Kelly, Minister for Communications, Energy and Natural Resources regarding the provision of broadband in the county. A discussion followed regarding the need have good quality broadband in the interest of economic development of the county. Cllr McNally proposed that the council seek a meeting with Minister White to discuss the provision of broadband. This was seconded by Cllr O’Hanlon.
6. 8. Questions

The Following questions were asked by Cllr. Crowe

When is it expected that the two public lights intended for Aisling Grove Castleblayney will be installed.

Response: Three public lights (3 x 6m LED Columns) for Aisling Grove will be provided in January. The civil works will be completed by direct labour and the lights will be provided by Airtricity Utility Solutions. The lights are ordered. However, there is a 10 week delivery time with the order.

When will repairs to the Frankfort Bridge at Annyart commence. Will the Municipal Council consider putting a crash barrier along the front of the bridge after repairs?

Response: The District Office will investigate the possibility of installing a crash barrier along the north parapet wall of the Frankfort Bridge. Repairs to the damaged parapet wall will commence in the coming weeks.

What is the situation in regards to Castleblayney Christmas Lights this year? Will the Municipal Council be the responsible body in erecting the lights and when is it envisaged that this will happen.

Response: Christmas lighting installation will commence in the week beginning 24th November 2014.

Will the Municipal District Council consider the installation of public Lighting at the junction of the upper Bree and Knocktornagh roads? This area is a very bad black spot and one light is needed to improve safety.

Response: Funding for public lighting is exhausted for 2014. However, consideration will be given to this proposal in the 2015 budget allocation.

When will the traffic calming measures to be provided for Oram Village be installed?

Response: The new traffic calming measures in Oram Village will be completed within the coming days.

The Following questions were asked by Cllr. McNally

Will this Council ensure that all signage where needed will be washed and cleared of overgrowth?

Response: Yes. The Municipal District Office will assign a crew dedicated to sign cleaning and maintenance over in December and January.

The Following questions were asked by Cllr. Carthy

Will the Council liaise with the OPW and ESB with a view to getting the River Lagan cleared where it crosses the main Carrickmacross/Kingscourt road in Magheraclone? This part of the river has not been cleared in recent times due to power lines passing overhead.

Response: The Municipal District office will request a meeting with the Office of Public Works and ESB Networks to address the issue raised.

Will the Council liaise with Irish Water to ensure the water supply in Carrickmacross, specifically in the Lisanisk part of the town, is in an acceptable state for consumption?

Response: Yes. The Municipal District will request confirmation from Irish Water that the water supplied to the town is in compliance with the Drinking Water Regulations.

Can the council add the Donaghmoyne road leaving Carrickmacross (approx. 1 km from the town outwards) to the list of roads to be resurfaced in the near future?

Response: A meeting to discuss 2015 road restoration improvement programme will be arranged with the elected members in the coming weeks. The Municipal District Office will consider Cllr. Carthy's proposal in conjunction with the existing three year rolling road restoration programme.

The Following questions were asked by Cllr. Keelan

1. *What is the up-to-date position in relation to the provision of safety measures at Drumgossatt National School, including the putting in place of a safety railing, as discussed with school management some time ago?*

Response: There is no provision in the 2014 budget to implement Low Cost Safety Improvements at Drumgossatt National School. An application to fund new safety measures has been made under the 2015 Low Cost Safety Improvement programme.

2. *In relation to Lisdoonan Village, will this Council ensure that the road markings are upgraded in and around the village, especially adjacent to the school, as I requested some time ago and can the possibility of extending the public lighting network out to the old Hibernian Hall also be considered?*

Response: The District Office will inspect the road markings in Lisdoonan and consider an extension, subject to funding, of the public lighting to the old Hibernian Hall in Lisdoonan Village.

3. *What is the up-to-date position in relation to the upgrading of the signs and lines at Blackstaff National School, including the provision of Driver Feedback Signs, as discussed with school management some time ago in the interest of road safety?*

Response: There is no provision in the 2014 budget to implement the above upgrades at Blackstaff National School. Consideration will be given to road safety improvements at Blackstaff National School in the 2015 work programme.

4. *Will this District Council contact Water Services requesting information in relation to the very high levels of lime in the drinking water, particularly in the Lisanisk area of Carrickmacross town; has this situation developed as a result of Spring Lake not being used as a water supply source anymore?*

Response: The matter will be referred to Irish Water and a response circulated at the December's meeting of this Municipal District.

5. *In relation to the ongoing provision of public lighting on the Inniskeen Road extending out to the Inniskeen Grattans GFC grounds, when is it hoped to have this work completed including the provision of public lighting at the entrance to the GAA grounds?*

Response: The District Office has procured seven new public lights for the Inniskeen Road. The installation of these lights will commence in the coming weeks.

- no. lights will be installed at Grattan's GFC football grounds and
