

Monaghan County Council Playground Communication Boards Consultation

As part of our ongoing work in the promotion of inclusive play Monaghan County Council wish to install Communication Boards in our playgrounds.

We want to hear from you

Question	Comment
Do you think Communication Boards are useful for children with language challenges?	
Are there any changes you would make to the communication board pictured?	
Would your child/children easily engage with this format of Communication board?	
What are key things we need to consider before developing and installing Communication Boards?	

Send your comments before July 31st to:
