

FOR INFORMATION

The Preferred Route Corridor presented in this non-statutory public consultation are subject to change based on stakeholder consultation and the further development of this option.

- NOTES
1. This drawing is the property of Clandillon Civil Consulting. This drawing should not be relied on or used in circumstances other than those for which it was originally prepared and for which Clandillon Civil Consulting was commissioned.
 2. Route options illustrated are preliminary only and are subject to amendments following consultation with impacted landowners and as part of the design process. Notwithstanding the alignment of any route corridor shown, the appointed design team will work with landowners to ensure impacts are minimised.
