

# Tuesday

## Biodiversity & Climate Action Community Workshop

Join us for a Biodiversity & Climate Action gardening workshop facilitated by horticulturist and environmentalist Aoife Munn.

The workshop will cover topics including:

- Low maintenance planting that is also great for biodiversity & climate change
- Creating habitats for wildlife
- Planting combinations for the seasons
- Growing your own from fruit trees to veg
- Dealing with rainwater locally using nature-based solutions
- Creating a more circular economy
- Waste Reduction
- Composting and much more...

Light lunch provided

Time: 10am - 4pm

Date: Tuesday 15<sup>th</sup> October

Location: Castleblayney Library

Booking essential through: [climateaction@monaghancoco.ie](mailto:climateaction@monaghancoco.ie)

## Knocknagrave Educational Centre School Visit

Knocknagrave Education Centre welcomes St Daigh's NS to their educational centre that aims to raise awareness of the importance of water quality, conservation, climate action and biodiversity.

Date: Tuesday 15<sup>th</sup> October

Location: Knocknagrave Education Centre

**Fully Booked**

## Let Fix Fashion

An Taisce along with Green-Schools Ireland are delighted to launch its Let's Fix Fashion campaign for 2024. Watch 'Inside the Shein Machine' during #ClimateActionWeek and join An Taisce's panel discussion on Fast Fashion hosted by Green-Schools and Lillian Gleave, Let's Fix Fashion ambassador. Learn about textile recycling in Ireland with the panellist from Clothespod and about the impact of fast fashion in Ireland and Kenya. Be inspired by past students of the campaign from Coláiste Muire, Ruaraka and Makini schools in Kenya.

Time: 1pm

Date: Tuesday 15<sup>th</sup> October

Location: Online

## The Climate is Right Podcast

Tune in for a panel discussion on communicating climate through the medium of podcasts. An Taisce's Climate Action Officer, and new host of The Climate Ambassador Podcast, Daithí Brooks, is joined by Darragh Wynne from 'The Climate Alarm Clock' podcast and Ceara Carney of the 'Book of Leaves' podcast. They will share their experiences of interviewing guests, staying on top of research and developments, and how they manage Climate Anxiety – both for themselves, and for their audiences!

Time: 6:30- 7:30pm

Date: Tuesday 15<sup>th</sup> October

Location: Online

## Energy: Junior Cycle CPD

Join SEAI for an interactive online one-hour CPD session which will introduce you to some fun and practical ways to explore the topics of energy conversions, energy efficiency and energy conservation with your students. Aimed primarily at Junior Cycle science teachers, this workshop was developed in conjunction with JCT STE(A)M at junior cycle (now part of Oide). It covers the energy strands across the Junior Cycle Science Specifications.

Time: 7- 8pm

Date: Tuesday 15<sup>th</sup> October

Location: Online
