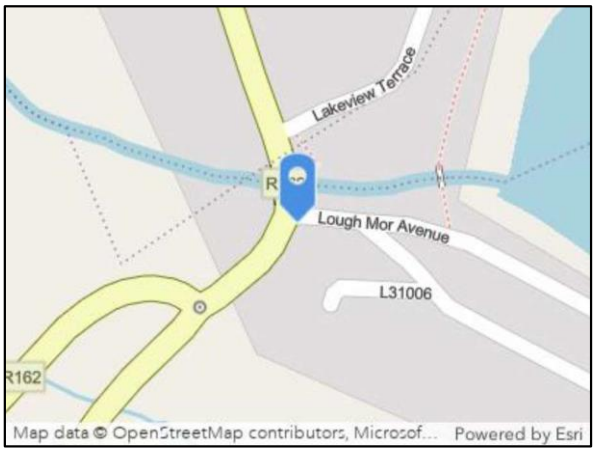
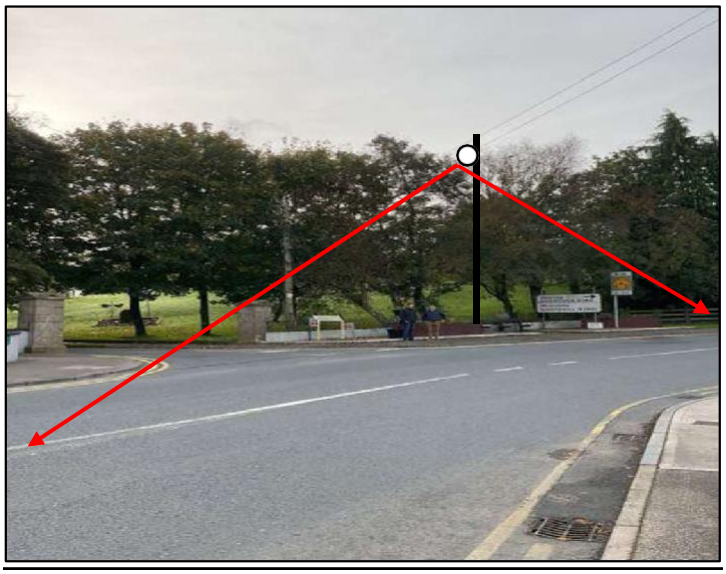
5.0 Proposed Camera Layout.

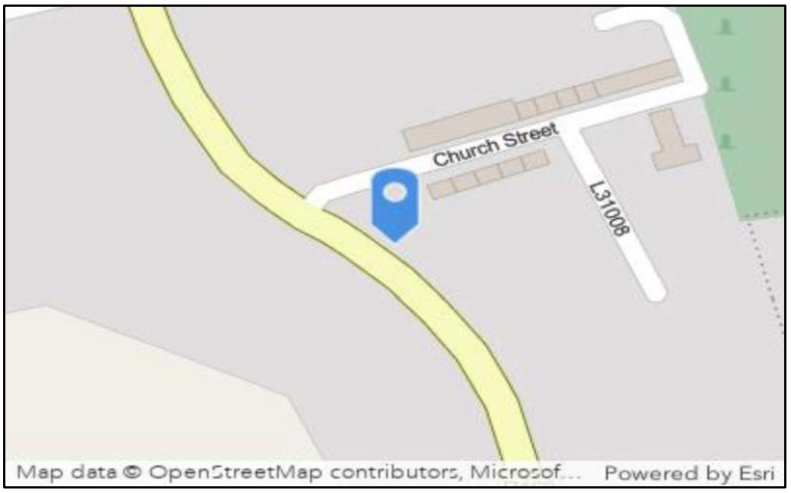
5.1 Recommended Camera Positions.

Location 1	Camera Number	Camera Install Position	Camera Type	Camera Target Area	Location Co-ordinates
Loch Mór Avenue	1	On new 8m CCTV pole inside footpath at entrance to Loch Mór Avenue	1 x Dual Lens Dome Camera.	- View of road in direction of town centre. - View of road in direction of Roundabout/ Carrickmacross Road.	54.12528 -6.90041

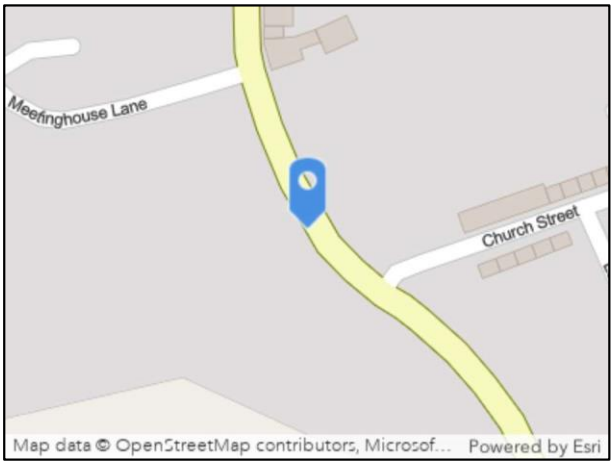




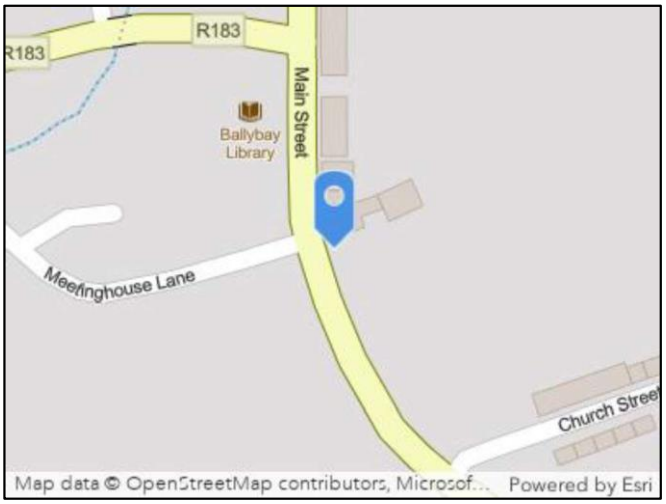
Location 2.	Camera Number	Camera Install Position	Camera Type	Camera Target Area	Location Co-ordinates
Market House	2, 3 & 4	External wall of Market House	3 x vari-focal lens IP Bullet Cameras	**Cam. 2** - view of road in direction of Loch Mór Ave. **Cam. 3** - View of main St./Church St. Junction. **Cam. 4 -** View of Church Street.	54.12723 -6.90164



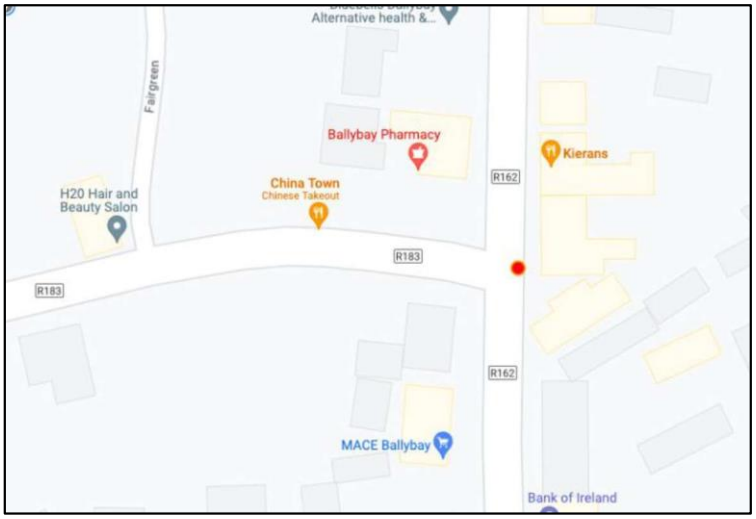
Location 3.	Camera Number	Camera Install Position	Camera Type	Camera Target Area	Location Co-ordinates
Old Library Building.	No.5	On Front External Wall of Old Library Building.	1 x 3 Lens Multisensor Camera	View of Main Street in both directions. View of area in front of building.	54.12756 -6.90257



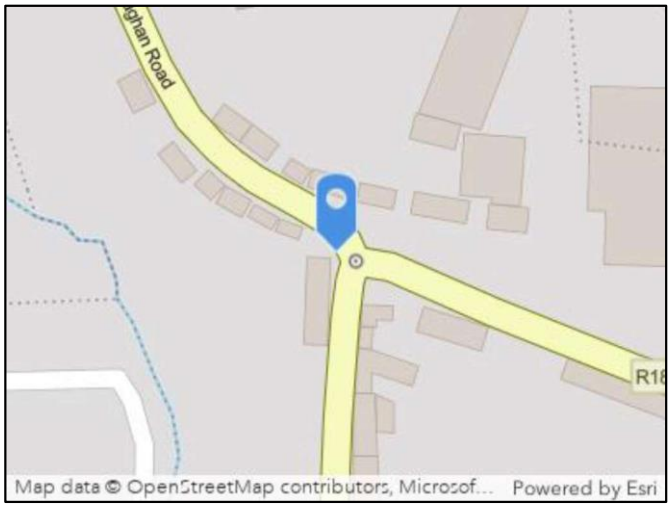
Location 4.	Camera Number	Camera Install Position	Camera Type	Camera Target Area	Location Co-ordinates
Main Street adj. New Medical Centre Building	No.6	On new 10m CCTV pole on footpath outside proposed new Medical Centre.	1 x 3 Lens Multisensor Camera	View of Main St. in both directions. View of entrance Road to An Close.	54.12812 -6.90278



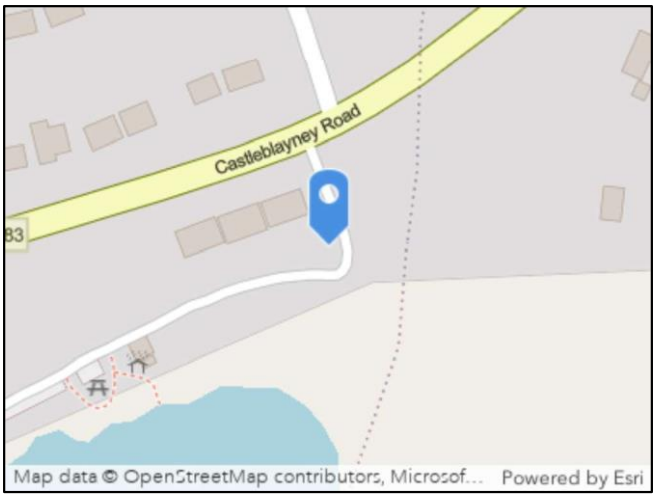
Location 5.	Camera Number	Camera Install Position	Camera Type	Camera Target Area	Location Co-ordinates
Main St./ Clones Road Junction.	No.7	On Light Pole at Main St./Clones Road Junction.	1 x 3 Lens Multisensor Camera	View of Main Street in both directions. View out Clones Road in direction of Garda Station.	54.12881 -6.902865



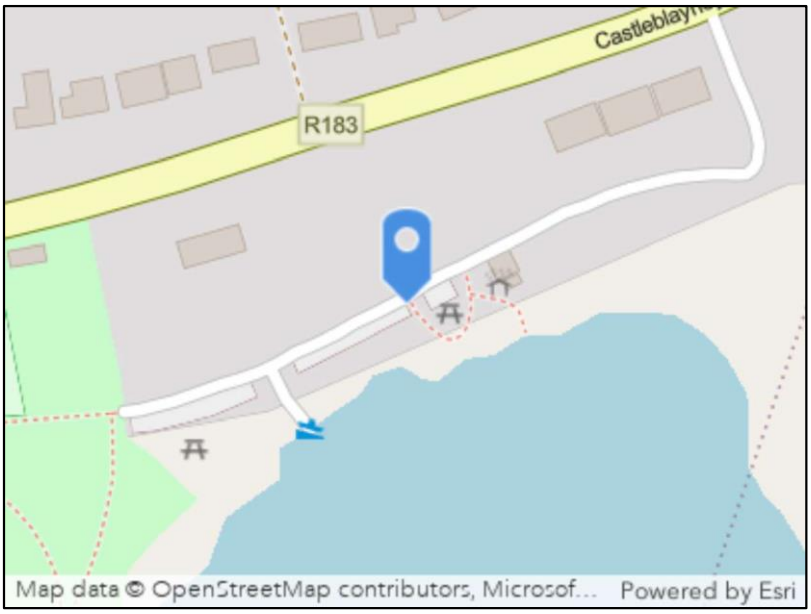
Location 6.	Camera Number	Camera Install Position	Camera Type	Camera Target Area	Location Co-ordinates
Castleblaney Road Roundabout	8	On Light Pole at Castleblaney Road Roundabout	1 x 3 Lens Multisensor Camera	**Cam. 9** - View of Castleblayney Road. **Cam. 10** - View of Main Street. **Cam. 11** - View of Roundabout.	54.13004 -6.90295



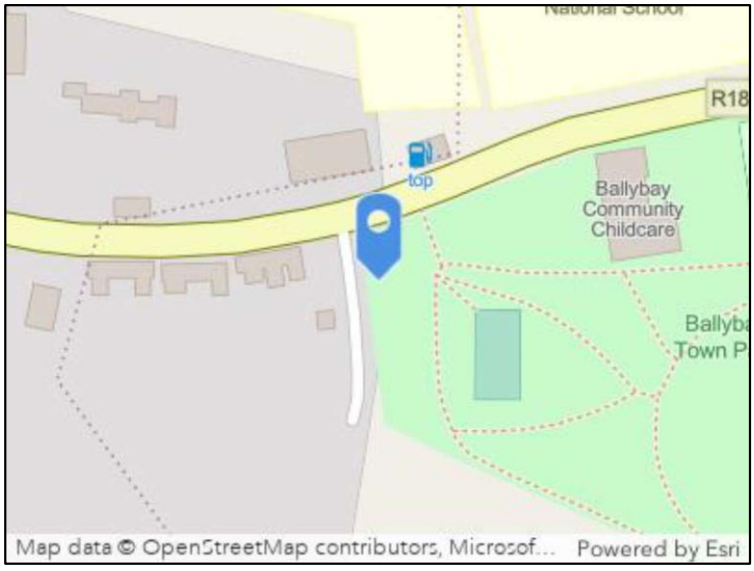
Location 7.	Camera Number	Camera Install Position	Camera Type	Camera Target Area	Location Co-ordinates
Main Entrance to Town Park.	9	On new 10m CCTV pole in green area inside Main Entrance to Town Park.	1 x dual lens Dome Camera	- View of Main Entrance Road to Town park. - View of Town Park in direction of Changing Room.	54.1302 -6.89252



Location 8.	Camera Number	Camera Install Position	Camera Type	Camera Target Area	Location Co-ordinates
Car Park in Town Park	10	On new 10m CCTV pole in green area adjacent to Car Park in Town Park	1 x Dual Lens Dome Camera	Town Park Walkway in both directions	54.12977 -6.8941



Location 9	Camera Number	Camera Install Position	Camera Type	Camera Target Area	Location Co-ordinates
Town park adjacent to toilet block.	11	On new 10m CCTV pole in green space adjacent to Toilet Block in Town park.	1 x Dual Lens Dome camera	- External View of Toilet Block & paths. - View of Town Park & walkway.	54.12935 -6.89864



Location 10.	Camera Number	Camera Install Position	Camera Type	Camera Target Area
Internally in secure room in the Market Hosue	12	Internal wall adjacent to CCTV recorder.	1 x IP Internal Dome camera	View of CCTV recorder

5.2 The locations proposed have been fully assessed and are deemed the most suitable taking into account the operational requirements of all stakeholders involved in this project.
